Submission of Motions for 2018 A.G.M.

All motions requiring a vote to adopt must be circulated (with the Agenda) to all members, so that they may decide whether they should attend to register their vote.

For the same reason, amendments to circulated motions may **NOT** be made or new motions raised, at the A.G.M.

Other matters pertinent to the business of the A.G.M. may, of course, be raised for discussion.

Please submit motions, in writing to the Club office, with the following information:

Proposed 'Motion'

Proposer Name & Signature

Seconder Name & Signature.

No proforma will be issued.

Motions received after 15/11/2018 cannot be accepted.
